#### Introduction

Ministry of Health & Family Welfare has issued 'Guidelines for International Arrivals' in context of COVID-19 pandemic and updated the same from time to time. The present guidelines are being revised in light of declining trajectory of COVID-19 cases globally.

#### Scope

This document provides protocols to be complied by international travellers as well as points of entry (airports, seaports and land border) and shall be valid w.e.f. 13<sup>th</sup> February 2023 (11.00 Hrs IST) till further orders.

# A.1. Planning for Travel

i. All travellers should preferably be fully vaccinated as per the approved primary schedule of vaccination against COVID-19 in their Country.

### A.2. During Travel

- ii. In-flight announcement about the ongoing COVID-19 pandemic including precautionary measures to be followed (preferable use of masks and following physical distancing) shall be made in flights/travel and at all points of entry.
- iii. Any passenger having symptoms of COVID-19 during travel shall be isolated as per standard protocol i.e. the said passenger should be wearing mask, isolated and segregated from other passengers in flight/travel and shifted to an isolation facility subsequently for follow up treatment.

## A.3. On arrival

- iv. De-boarding should be done ensuring physical distancing.
- v. Thermal screening should be done in respect of all the passengers by the health officials present at the point of entry.
- vi. The passengers found to be symptomatic during screening shall be immediately isolated, taken to a designated medical facility as per health protocol (as above).
- vii. The following protocol post arrival shall also be followed:
  - a) A sub-section (2% of the total passengers\* in the flight) shall undergo random post arrival testing at the airport on arrival.
  - b) Such travellers in each flight shall be identified by the concerned airlines (preferably from different countries). They will submit the samples and shall be allowed to leave the airport thereafter.
  - c) If such travellers' samples are tested positive, their samples should be further sent for genomic testing at INSACOG laboratory network.
  - d) They shall be treated/isolated as per laid down standard protocol.
- viii. All travellers should self-monitor their health post arrival also shall report to their nearest health facility or call National helpline number (1075)/ State Helpline Number in case they have any symptoms suggestive.
- \* Children under 12 years of age are exempted from post-arrival random testing. However, if found symptomatic for COVID-19 on arrival or during the period of self-monitoring period, they shall undergo testing and treated as per laid down protocol.
