# Online Academic Workshop ON FACETS OF THE INDIA-REPUBLIC OF KOREA PARTNERSHIP

제 2차 온라인 학술 워크숍  
"한-인도 파트너십의 다양한 양상"

**BROCHURE**

September 1-14, 2021

RIS  
Research and Information System  
for Developing Countries  
विकासशील देशों की अनुसंधान एवं सूचना प्रणाली

## CONCEPT NOTE

Embassy of India, Seoul is organizing Online Workshop from September 1-14, 2021 on 'Facets of the India-Republic of Korea Partnership'. During this series, a host of globally renowned experts from India and Republic of Korea will speak on themes related to foreign policy, cyber security, artificial intelligence, unicorns and decacorns, social, cultural and economic issues along with other aspects of Special Strategic Partnership between the two countries. This interactive forum with Korean and Indian scholars will help us understand nuances of various critical issues and identify areas of cooperation between the two countries.

The Workshop is designed in way to have a partner organization each from the Korean and Indian side. Various Korean agencies have agreed for institutional partnership which includes: IFANS; KIEP; KOSSREC; KISDI; PCFIR; KNDU; INSS and UNIDO-ITPO. Among the Indian partners include RIS; ICSSR; SSEF; Niti Aayog; IMAI and USI.

Each session of the Workshop will comprise of a presentation by Korean and Indian experts followed by interaction with the audiences. All sessions will be in English with simultaneous Korean interpretation. It is hoped that deliberations will be useful to participating scholars, academics and other relevant stakeholders in this Workshop.

Some themes identified for deliberations in the Workshop are as below:

- 1) **Synergies between ROK's NSP Plus and India's AEP in the Indo-Pacific Region**
- 2) **Overcoming the COVID-19 Pandemic: A Business Perspective**
- 3) **Changing Socio-Economic Landscape in India and Republic of Korea**
- 4) **Renewable Energy: Powering Our Future**
- 5) **Artificial Intelligence Policies in India and Republic of Korea**
- 6) **Cooperation in the era of Unicorns & Decacorns**
- 7) **Experiences in UNPKO and Plausible Areas of Convergence between India and ROK**
- 8) **Shared Cyber Security Challenges**
- 9) **Women in Diplomacy: Perspectives from India and ROK**

## Profile of Speakers INAUGURAL SESSION

### **Amb. Riva Ganguly Das**

Amb. Riva Ganguly Das is a career diplomat. With a Post Graduate in Political Science from Delhi University and teaching thereafter in the same University, she joined the Indian Foreign Service in 1986. During her entire career as a diplomat, she has served in several countries which includes Spain, Bangladesh, Netherlands, China, Romania, Albania and the United States. At the Headquarters she was dealing with External Publicity, Nepal and Passport/Visa work and headed the Public Diplomacy Division and later the Latin America & Caribbean Division in the Ministry of External Affairs. She has also worked as Director at the United Nations Economic and Social Affairs Division and participated in environmental negotiations, particularly climate change. She was second in command at the Embassy of India, The Hague and the Consul General of India in Shanghai and New York. She was also the Alternate Permanent Representative of India to the Organisation for Prohibition of Chemical Weapons at The Hague. She was Ambassador of India to Romania with concurrent accreditation to Albania & Moldova and India's High Commissioner to Bangladesh. She was also Director General of Indian Council for Cultural Relations.

### **Amb. OH Youngju**

Amb. Youngju OH is the President of the Institute of Foreign Affairs and National Security (IFANS) at the Korea National Diplomatic Academy (KNDA). As a veteran diplomat, she was appointed Ambassador and Deputy Permanent Representative for the Korean Permanent Mission to the United Nations in New York (2015-2017). Joining the Ministry of Foreign Affairs of the Republic of Korea in 1988, she previously served on major duties within the Ministry such as the Deputy Minister for Multilateral and Global Affairs (2017-2018); Director General for Development Cooperation (2013-2015); Director-General for the Nuclear Security Summit Preparatory Secretariat (2011-2012); and also Director at the United Nations Division (2005-2007). Recently, she became a member of the Board of Trustees for the United Nations Interregional Crime and Justice Research Institute (2019-2024). Ambassador OH received her Bachelor's Degree at Ewha Womens University in Korea and her Master's in Pacific International Affairs at the University of California, San Diego, U.S.A.

### **Dr. Wondeuk Cho**

Dr. Cho, Wondeuk is a Research Professor of the Center of ASEAN-Indian Studies at the Institute of Foreign Affairs and National Security (IFANS), Korea National Diplomatic Academy (KNDA). He has been teaching the courses of *ASEAN regionalism in Southeast Asia* and *ASEAN and OCEANIA* as a visiting professor at the Graduate School of International Studies, Yonsei University. He taught courses of international relations and comparative politics at Carroll University and the University of Wisconsin-Milwaukee. He holds a Ph.D in political science from the University of Wisconsin-Milwaukee. His academic articles were published in *Defence and Peace Economics* (SSCI), *Pacific Focus* (SSCI), and other Korean international relations journals. Recently Dr. Cho has written policy reports and book chapters on the issues of Korea's New Southern Policy, India's foreign policy and strategy, Mekong cooperation, etc.

## Profile of Speakers SESSION-4

### **Dr. Ashvini Kumar**

Dr. Ashvini Kumar has worked in the Ministry of New and Renewable Energy for over 26 years till 2012 in various capacities and handled various programmes related to R&D and policy development including National Solar Mission. Subsequently, he moved to Solar Energy Corporation of India Ltd. (SECI), a CPSE, and superannuated from there from the post of the Managing Director in July 2017. Later, he worked at TERI as Senior Director. Dr. Kumar obtained his Doctorate Degree in Solar Energy from IIT Delhi in 1981. He has co-authored three books published by International reputed publishers, several review articles and over 60 research papers in peer reviewed journals.

### **Mr. Upendra Tripathy**

Mr. Upendra Tripathy, former Secretary to the Government of India in the Ministry of New and Renewable Energy, has made exceptional contributions towards achieving 175 GW target and for ushering in policies that transformed India's renewable energy sector. In ex-officio capacity, he has headed Solar Energy Corporation of India (SECI), National Institute of Solar Energy and National Institute of Wind Energy, National Institute of Bio Energy, Association of Renewable Energy Agencies of States (AREAS) and International Solar Alliance (ISA). For his work in transforming a city Transport undertaking in Bangalore into a profit making one, the Prime Minister of India bestowed the PM's Award for Excellence in Public Administration of Mr. Tripathy in 2009. Other awards that recognise his abilities, excellence and innovative thinking, are – Extra-Ordinary Citizens' Award from Rotary International-2008, Central Board of Irrigation and Power (CBIP) Award 2016 for outstanding contribution to India's Renewable Energy Sector, 10th Enertia LifeTime Achievement Award- 2016 and UBM 2016 as Crusader of the year for Renewable Energy. He has worked in federal, provincial and local administrations in India and has made an outstanding contribution as an administrator of great eminence is his 36 years of diverse experience in and across related sectors - land administration, rural development, agriculture, education, social inclusion, environment, petroleum and natural gas, and transportation.

### **Mr. Gyanesh Chaudhary**

Mr. Gyanesh Chaudhary has successfully led Vikram Solar, a world-renowned PV module manufacturing and EPC solutions provider, to become a name synonymous with quality and performance. Mr. Chaudhary has completed Executive education from Business Transformation and Strategy from Harvard Business School; he is a Business graduate from the University of Wales, UK; holds a Diploma in Marketing and International Trade from the University of Boston; and International Business from Harvard Business School, USA. His position in the rapidly growing solar energy industry has led him to hold seats of importance at various industry and chamber bodies. He is one of the members of CII Atmanirbhar Bharat National Committee on RE manufacturing. Mr. Chaudhary is Co-Chair of the Indian Chamber of Commerce (ICC) National Expert Committee on Energy and a part of CII India CEO Forum for Clean Air for its Cleaner Air Better Life Initiatives. Mr Chaudhary has frequently expressed his views in key media such as- Business India, Business Line, Mint, Financial Express, Economic Times, Bloomberg, CNBC-TV18, Financial Chronicle, etc. He has received several awards and accolades for his contribution to the green energy transition. Export Excellence Awards by FIEO from Late Shri Pranab Mukherjee, Former President of India, Star Performer Award by CBIP on Best Contribution in Solar Energy from Late Shri A. P. J. Abdul Kalam, Former President of India and ET Bengal Corporate Awards from Shri R.K Singh, Hon'ble Cabinet Minister (Power, New & Renewable Energy)

### **Mr. Kim Jun-dong**

Mr. Jun Dong Kim is a senior advisor at Shin & Kim. Prior to joining the firm and for 30 years, Mr. Kim served in various high-ranking positions within the Ministry of Trade, Industry and Energy (“MOTIE”). In particular, Mr. Kim led industrial policy-making efforts for a number of sectors, including automotive, shipbuilding, machinery, and bio-health among others. With respect to the energy sector, Mr. Kim’s experience and expertise ranges from electric power, nuclear energy to renewable energy and overseas resource development. Further, as Deputy Minister of Energy and Resource, he established the Second Master Plan for National Energy and the Sixth Basic Plan on Electricity Demand and Supply. Regarding trade, Mr. Kim resided in Brussels for three years as a commercial attaché of the Korea Mission to the EU from 2003 to 2006. Upon his return to Korea and to MOTIE in 2006, Mr. Kim took charge of the Korea-US FTA negotiation. Mr. Kim also held various key positions within the Korean government, including serving as the Deputy Secretary to the President, Spokesperson for MOTIE, and as the Senior Policy Coordinator for the National Assembly of Korea. From 2015 to 2017, Mr. Kim served as the Secretary General of the National Research Foundation (“NRF”). Before joining Shin & Kim, Mr. Kim served as the Executive Vice Chairman of the Korea Chamber of Commerce and Industry (“KCCI”), which is the largest and oldest business organization in South Korea (composed of 73 regional chambers, representing approximately 200,000 member companies).

### **Prof. Ousam Jin**

Prof. Ousam-Jin is a professor at Gachon University, honorary president of the Korean Society for New & Renewable Energy, and chairman of the GREEN ENERGY STRATEGY INSTITUTE, and leads RE100 initiative in Korea as the president of Korea RE100 Committee. He has led the academic and social drive for the transition to renewable energy, bringing together scholars, researchers, and industry experts on renewable energy and climate change, and established Renewable Energy Day. He also has experience in developing various renewable energy projects such as solar, wind, biomass, and biogas power plants and in participating in policy development such as FIT and RPS Systems.

### **Ms. Jee Eun Kim**

Ms. Jee Eun Kim since joining Saemangeum Development and Investment Agency in 2017 has been involved in the Saemangeum renewable energy project by contributing to the establishment of the basic plan to marketing the project. She made several presentations on the Saemangeum renewable energy project in international conferences and recently promoted the Saemangeum RE100 industrial complex in the RE100 Members Meeting organized by the Climate Group. Ms. Kim worked as a researcher at Korea Development Institute and other research centers for 4 years. She holds a BA in History and Political science and MA in International Economics at Yonsei University. She also completed three semesters in the International Economics MA program at Brandeis University (USA).

## Profile of Speakers VALEDICTORY SESSION

### **Amb. Hyeoun Kim**

Amb. Hyeoun Jenny Kim is Ambassador and Deputy Minister for Climate Change in the Ministry of Foreign Affairs of the Republic of Korea. As the chief negotiator, she is the head of the Korean delegation to the UNFCCC, bilateral and multilateral climate and green growth negotiations. Before that, she was Deputy Director-General of the Global Green Growth Institute (GGGI). GGGI is a treaty-based inter-governmental organization supporting developing countries and emerging economies to achieve economic growth and environmental sustainability together through following a new pathway of green growth. She is responsible for managing GGGI's in-country operations in more than 30 countries, which support low carbon economic growth, including NDC implementation. Before joining the GGGI in 2018, she was the Ambassador of the Republic of Korea to Senegal and five neighboring countries from 2016.

### **Ms. Miyon LEE**

Ms. Miyon LEE is currently Director-General for Bilateral Economic Affairs at the Ministry of Foreign Affairs. She has been serving as a career diplomat of the Republic of Korea since 1993. Prior to assuming this position, Director-General Lee was Ambassador/Deputy Permanent Representative of the Korean Permanent Mission for UN and WTO in Geneva. She also served as the Minister/Consul-General of the Korean Embassy in Vietnam and the Minister-Counsellor of the Korean Embassy in China. Earlier assignments include Spokesperson for Foreign Correspondents at the Office of the President, Director for Multilateral Trade Cooperation, Director for FTA Policy Planning, and Counsellor at the Korean Embassy in Laos. Director-General Lee is a recipient of the Prime Minister's Citation. She attended Seoul National University with a B.A. in Asian History, and a Master of Science in Foreign Service degree from Georgetown University.

### **Amb. Ruchi Ghanashyam**

Amb. Ruchi Ghanashyam is an Indian Diplomat who retired in April 2020 from her last position in the Indian Diplomatic Corps as High Commissioner of India to the United Kingdom, Envoy to the Commonwealth and Representative of India to the IMO in London. After joining the Indian Foreign Service in 1982, she has served in various capacities in Indian Diplomatic Missions in Damascus, Kathmandu, Brussels, Islamabad and Permanent Mission of India to the United Nations, New York. She became Head of Mission in 2008 and worked as India's High Commissioner to Ghana (accredited concurrently to Burkina Faso, Togo & Sierra Leone) during 2008-11. She was India's High Commissioner to South Africa (concurrently accredited to the Kingdom of Lesotho) during 2014-17. In between her postings abroad, Amb. Ghanashyam has worked in the Ministry of External Affairs, New Delhi as an Under Secretary, Director, Joint Secretary, Additional Secretary and Secretary. She returned to the Ministry of External Affairs from South Africa to take over as Secretary (West) during 2017-18. Thereafter, she travelled to UK as the First lady Career High Commissioner to the United Kingdom and second lady after Vijayalakshmi Pandit.

### **Amb. Sripriya Ranganathan**

Amb. Sripriya Ranganathan is the Ambassador of India to Republic of Korea. She is a career diplomat who joined the Indian Foreign Service in 1994, immediately after obtaining her Masters' Degree in History, with specialisation in Modern Indian History, from Delhi University. During her career, Ambassador Ranganathan has held a variety of positions in New Delhi and abroad. She served in Myanmar as the second in command at Embassy of India, Yangon. Her other overseas postings were in Ankara and Hong Kong. During her multiple years' experience in headquarters, she has served in various capacities in the Ministry of External Affairs as well as in the Ministry of Commerce and Industry. She is deeply interested in issues relating to women's leadership and empowerment and tries to make time for activities related to these issues.

### **Mr. Oh Young-jin**

Mr. Oh Young-jin is the President of Korea's leading English daily, The Korea Times. Prior to this, he was director of content and digitization at The Korea Times. He joined The Korea Times in 1988, the same year Seoul hosted the Summer Olympic Games. He worked at various desks covering politics, business and the city both as reporter and desk editor before becoming its managing editor in 2012. In 2015, he became the chief editorial writer, and then digital managing editor and director of content and digitization. Mr. Oh was also the foreign press secretary for Cheong Wa Dae during the President Roh Moo-hyun administration.

### **Dr. Kyungjin Song**

Dr. Kyungjin Song was President of the Institute for Global Economics (IGE), a private non-profit research institute in Seoul, Korea. Dr. Song served the Government of the Republic of Korea in various capacities. She served, 2009-2011, as special adviser to the Chairman of the Presidential Committee for the Seoul G20 Summit in the Office of the President. While working as special adviser, she also wrote and oversaw the entire production of the official White Paper of the G20 Seoul Summit in 2010. Dr. Song worked, 2008-2009, as special aide to the Special Economic Adviser to the President and Chairman of the National Competitiveness Council in the Office of the President. From 2004 to 2008, she worked in the Ministry of Finance and Economy as foreign press spokesperson. Dr. Song also served, 2011-2012, as special adviser to the Chairman & CEO of the Korea International Trade Association. Dr. Song participates as a member of the executive committee of the Global Trade and Innovation Policy Alliance, a global think tank alliance. Dr. Song was awarded, in June 2011, the Korean Government's Order of Civil Service Merit "Red Stripes" for her outstanding contribution to the success of Korea's G20 presidency in 2010. She also received in 2015 the Plaque of Appreciation from JoongAng Ilbo, Korea's leading daily newspaper, for her contribution to the JoongAng Media Group
