ABOUT SVCC

Swami Vivekananda Culture Centre or Indian Cultural Centre as it is popularly known is the cultural wing of the Embassy of India in Seoul promoting Indian culture in the Republic of Korea. Fulfilling a long-held desire to provide a platform to showcase India's rich cultural heritage and serve as the nodal point for cultural exchanges between India and Republic of Korea, this Centre was established on 1st July 2011. Since its inception, Centre has been providing regular classes on Yoga, Indian classical and contemporary dances, musical instruments like Tabla, Harmonium and languages such as Hindi and Sanskrit. It also organises Special Lectures, Symposiums and Workshops on diverse aspects of Indian culture, politics and society by involving renowned Indian and Korean scholars and academia. Over the years, the Cultural Centre has also built an extensive network of partnership with various cultural organisations, city administrations and provincial governments across the country intending to broaden the stakeholders and promoting Indian culture in Republic of Korea.

At this time, when the whole world is experiencing an unprecedented crisis because of the spread of COVID-19 virus, and restrictions on social gatherings, the Cultural Centre has initiated online activities in its endeavour to keep in touch with the India lovers and Indian cultural enthusiasts in Republic of Korea.
