

India Kept Its Promise:

Script	Supers
The Promise Made Twelve years ago, a promise was made to the people of India. That India would be built, not borrowed. Earned, not given. A nation of extraordinary aspirations dared to ask one question: will it happen?	12 Years Ago Will It Happen?
The Turn It's happening. Not in slogans on a wall, but in dedicated service and wholehearted commitment. Day after day, for twelve years. From "Will it happen?" to "This is how India works." India keeps its promise. PM BYTE	12 Years of Trust 12 Years of Development 12 Years of Public Welfare This Is How India Works. India Keeps Its Promise. VIKSIT BHARAT 2047 SHRI NARENDRA MODI HON'BLE PRIME MINISTER OF INDIA
Dignity and Inclusion People first became the guiding principle of governance in India. To the poor, India made a promise of dignity. And dignity was not handed out. It was built. Home by home. Tap by tap. Kitchen by kitchen. We did not redistribute poverty. We are removing it. And we will not stop until it is zero.	Dignity and Inclusion People First PM Awas Yojana 40 million+ homes Jal Jeevan Mission 126 million+ rural household tap connections Foodgrain support for 810 million people 105 million+ clean cooking connections for house holds 700 million+ people for health assurance 4.8 million + rooftop solar for households

Farmers To the farmer, India made a promise of respect. Not just the one who feeds us, the Annadata, the giver of food, the foundation of the nation's future. From depending on nature's mercy to feeding the world. From seed to market, India is strengthening the farmer's journey.	Farmers PM Kisan Direct income support for farmers 357 million+ tonnes of foodgrains produced Minimum Support Price Protecting farmer incomes 92 million+ farmers with AgriStack digital identities World's largest producer of milk and rice
Women And the women of India did not move forward. They moved to the centre.	Women More than two-thirds of Mudra micro-enterprise loans have gone to women 20 million+ women self-help group entrepreneurs 1.45 million+ elected women representatives 320 million+ women with financial-inclusion bank accounts
India's Young Generation For the young, we changed the question. From job seekers to job creators. The Amrit Peedhi does not wait for the future. It builds it. PM Byte	India's Young Generation 200,000+ recognised by government India is building sovereign AI compute capacity Quality education for every child Viksit Bharat 2047 Learning in home and regional languages SHRI NARENDRA MODI HON'BLE PRIME MINISTER OF INDIA
